FINANCIAL ASSISTANCE APPLICATION

Rural Aid is offering Primary Producers in drought affected areas a ONCE OFF \$1500 towards bill payment. Once we have received your completed application and we have verified you in our system our team will review and process all approved applications within 14 days.

Please note you must be in a drought declared/affected area, be deemed to be a primary producer and have a current ABN. Your payment will not be paid if you don't meet the criteria. This once off payment is capped at \$1500 and an application for less than \$1500 will see the balance value forfeited.

How to apply:

If you have access to the internet this application can be completed online via www.buyabale.com.au under the 'Farmers-Register here' tab or call 1300 327 624 and we can assist you over the phone. If you have already registered with us then you don't need to complete the initial registration form again.

Applications successfully completed online will be received directly by the team processing the applications. Because of this, the process will be faster than the alternative. However, if you do not have internet access you can complete the below form and post your application to us.

1. Name: _____
2. Email (if applicable): _____
3. Phone: _____
4. ABN Number: _____
5. Business Name: _____
6. Please attach the following documentation to this application before mailing:

- Drivers Licence including Image of Face or photo ID
- Primary Producer Declaration (Your accountant can give this to you) -If your accountant is writing a primary producer declaration for you, please ensure it has the letter head and contact details. Or if your accountant is using a Declaration of Eligibility
